PERSONAL PROFILE

My name is Sayantan Das, a BTech student in Computer Science and Engineering at IEM, Kolkata. As an aspiring full-stack web developer, I've been actively engaged in projects since my first semester. I have developed skills in HTML, CSS, JavaScript, C, Java, and Python. Now in my second year (third semester), I am committed to honing my craft and expanding my expertise in web development.

WORK EXPERIENCE

2024-present

Codsoft

web-developer intern

Prodigy Infotech

web-developer intern

PROJECTS

Bahurupi Bangla

Travel tour guiding website

WEBSITE LINK
